

ARIF ISLAM

Full Stack Developer

@businessarifislam@gmail.com

7047649940 <https://arifislamz.netlify.app> Kolkata, India

SUMMARY

I am a B.Sc. Computer Science Graduate student specializing in Full Stack Web Development. With over three years of practical coding experience, I provide dynamic web applications using the MERN Stack and Next.js. I excel in creating modern, responsive sites with Tailwind CSS and TypeScript and managing databases with SQL/NonSQL. I am dedicated to delivering high-quality web solutions tailored to client needs.
